MOVIE LOVERS

For my 18th birthday I wanted to do something a bit different, so I went with a few of my girlfriends went into Soho and visited a porno cinema. I'd never been anywhere like it in all my life and loved how sleazy the place felt.

The theatre was virtually empty, just a few guys and girls sitting here and there, so a big group of giggling girls really grabbed everyone's attention. The movie was already running when we arrived, though we didn't have much trouble picking up the plot. From what I could see, it was basically about some pretty blonde spy who was screwing everyone she met to infiltrate a gang of blokes with big cocks. The acting was ludicrous, but the sex was pretty filthy and I actually started to get turned on by it. After fucking two of the baddy's henchmen, the heroine then seduced this female spy and ate her pussy and arsehole out until the female spy gave her all her secrets. I felt a little weird watching it with my girlfriends all around me, though none of them seemed to mind, so I kept quiet.

The heroine used a huge dildo on the other woman and I was transfixed by this fat piece of black rubber as it was stuffed further and further inside her smoothly-shaven cunt. I'd toyed with the idea of fucking other women in the past, but this was the first time I'd ever seen two girls actually doing it with each other and I found it a head-rushy turn-on. My knickers were soon saturated with sex and I longed to touch myself between the legs, though I wasn't about to do it here in front of my friends. I made my excuses and went to the toilet. I knew I didn't have long before my friends would to get suspicious, so I shut myself in a cubicle, peeled off my panties and frantically frigged my aching hole.

It felt so nasty doing what I was doing, though this was half the excitement and I started to fantasise about that female agent walking in and making me fuck her too. I must have been so caught up in my daydreams that I didn't notice some punk girl watching me over the cubicle wall. When I did I almost freaked out. I pulled my skirt down and went bright red.

The girl didn't move. She just grinned and told me to carry on. "Don't stop. Come on, let me watch," she said quietly. What I wanted to do was run from the toilet in embarrassment, but I was so close to coming and the added incentive of the strange young girl watching got me really hot. I pulled up my skirt again and carried on frigging myself off as I looked up at her. She licked her lips as she watched my frenzied fingers and whispered dirty things to me.

"You want to take a closer look?" I nervously asked, so she climbed off the seat and nipped into the cubicle with me. I opened my legs so that she could see everything and fucked myself hard with two fingers. It was so exciting having her watching, and when she began stroking my thighs I almost squirted on her. She stroked her hands up between my legs, so I moved my own hands away and let her touch my pussy. She pressed my clit nice and hard and rubbed my cunt with her fingers as my nipples stiffened inside my bra. She slipped a finger inside me and I had to bite down on my own to stop myself from crying out. She worked it in and out of my hole and I felt so wantonly filthy at that moment that I begged her to lick me out.

The girl moved her face between my legs and stroked her tongue up my hot crack and I gasped as I felt her enter me. She flicked her tongue in and out of my pink slot and lapped my pulsing little button with her pointed tip as I panted with pure pleasure. My juices were gushing all over her mouth and she held my pussy wide open and licked up between them harder and harder until she forced an orgasm out of me. When I climaxed I wrapped my legs around her head and came with her tongue inside me. It was the most sensational orgasm I've ever had.

I lay there breathing hard and shaking as she got to her feet and gave me a kiss on the lips.

"You want to come back to my place?" she asked, and I so desperately did, but I couldn't just do a runner without my friends. "They've already gone. They thought you'd left and they went after you, so come back to my place and fuck me. I know you want to."

I knew she was lying about my friends, but I didn't care. I went back with her place and had the filthiest night of my life, indulging every fantasy I've ever had – and a few I'd never even dreamed of. My friends have been ribbing me ever since, and I never got to see the end of the movie. I wonder how it turned out...

SHED HEAVEN

I work as an assistant gardener at a local sixth form college, looking after the lawns and flower beds. The college takes students aged between 16 and 18 and the other gardeners and I have now got used to the wolf-whistles and flirting from some of the flightier girls.

One girl who had taken my eye was called Jenny. She was 18 years old, with a very sensuous mouth, full lips and her breasts peeping through her blouse in an inviting fashion. Then just a week ago things started happening.

I was working on a flower bed below some classrooms when I heard someone whistling me. I looked up and both Jenny and another girl were leaning out of a first floor window, giggling. Then Jenny flung a note down to me and both girls disappeared. When I read the note my prick began to stir in my trousers. Jenny had written "I really fancy you and if you fancy me too, I'll be at the shed at 8.00pm tonight." Now the shed in question is a large, wooden hut where we store the flowers and composts. It's well away from the school amongst bushes and trees.

I never told the other lads about the note, but when I finished for the day I had a quick snack and shower and just before eight o'clock made my way to the shed. I quickly cleared a space in one corner

STUDYING: Beauty

STUDENT

Given that she's just started a course in which she's training to be a beautician, Dani here doesn't seem to be wearing much make-up, does she? So don't they teach them anything on these courses, then?

"Of course they do!" she protested when we started teasing her about this. "But we've been learning that the secret of really good cosmetics is to make it look like you're hardly wearing any. Less is more, if you know what you're doing."

Hmm, that sounds fair enough - after all, if you're as pretty as 19 year old Dani, you don't really need much slap, do you? Especially if you're a dirty little minx who doesn't bat an eyelid when a strange photographer (and he is pretty strange, believe us!) asks you to get your clothes off and play with your mimsy! I wonder if they teach them that crafty trick at college...

NEWBIE 'N' QUEENS!

WHAT WOULD THE PORNO INDUSTRY DO IF IT WEREN'T FOR ALL THE FRESH-FACED NEW TALENT IT ATTRACTS? WELL, STOP MAKING FLICKS LIKE THIS ONE, FOR STARTERS...

NEWBIES
Starring: Alexa Jaymes, Brooke Logan, Katie, Hannah Shaw, Sienna Milano, Mick Blue, Daniel Hunter, Derrick Pierce.
Directed By: Mick Blue.
Available From: Diabolic.

"Do I get to keep the pearl necklace?"

Although there will always be a special place in our pants reserved for our favorite porn stars, there is always enough room saved for the dirty batch of darling debutantes that are eager to spread their wings and fly for the first time on camera. These new girls on the block, complete with their perky tits and dreams of superstardom, eagerly await their chance to shine as the spotlight is set to bask around them. While others may refer to this fresh breed of cocksuckers as 'sweet birds of youth', others, including Diabolic, like to refer to these eager beavers as Newbies. In what is the pioneer installment to what we hope becomes a continuing series for this award-winning production company, director Mick Blue has sent out a personal invite for us to witness a new batch of five porn hopefuls as they hatch their way into our hearts one scene at a time. With tidings as sweet as this, it's a privilege to sit back and watch the magic unfold, as pretty pussies are popped open like never before!

Fresh out of the box, Alexa Jaymes is the first girl to spread her wings and fly. Right off the bat, she appears to be a bit more experienced than that of her other production sisters, as she effortlessly moves her body into interesting sexual configurations during her preliminary photo shoot. Well aware of how to move her body for the camera, the room begins to take notice. As she begins to realize the ruckus she is creating on set, Alexa ups the ante by tugging on her pink panties in order to shove a few greedy fingers inside her wet pussy. Daniel Hunter, her sexual co-star, watches her wiggle and sway for the camera on the sidelines. With a boner that is practically ripping a hole through his pants, Daniel nervously taps his foot and shakes his leg in anticipation for the hot hole that is moments away from being spread open for him…

Finally, when the last frame is clicked, Alexa saunters over to Daniel. She nibbles on the rim of his lips with her perfect teeth and says, "I can't wait to suck your cock!" He follows her around the house where they begin making out on a nearby loveseat. With the lights and camera crew already up and ready for action, Blue lets the chemistry naturally unfold by urging them to, "turn the heat all the way up!"

After a solid bout of dry humping, it doesn't take long before Alexa arranges herself onto the floor to suck back Daniel's dick. Once she latches her pink lips around his shaft, Daniel's

"Oof, I think I've sat on something..."

Her stud had the reddest ears in the business

body fills with sweaty chill bumps. "Show me your eyes," he later urges while balling up a fist of Alexa's black hair in one hand and trying to pop his nuts into her mouth with the other. Once sated, she arranges herself on the sofa in spoon position and sighs, "Do you want to know what I feel like inside?" Like metal to magnet, Daniel hones in on her teenage twat and fucks her hard, making an airtight connection.

Like a seasoned player, Alexa never lets up on the cock as they move into several more hot positions, including reverse cowgirl and missionary. After about an hour of solid pounding, the first scene of the day is sealed shut when Daniel splashes his nut paste around her naval. It's a cracking start!

Beautiful Brooke Logan, who looks like the typical girl-next-door is up next and is set to fuck the director. Eager to yank off her tank top to show Mick Blue her freshly sprouted titties, Brooke playfully lifts up her lacy bra, offering him glimpses of her perky nipples. Obviously excited to sample this fresh young hottie, Mick pulls on her panty and bra set in order to get a better look at her bee stung titties and compact cunt that are hidden underneath.

"It's time to take you out of this!" he teases, squishing her pink nipples between his fingers until warm spittle starts to dribble down the corners of her puffy lips. From here, it doesn't take long before their clothes are flying in all directions and Brooke's mouth is locked between his legs. Now face-to-face with one of the most celebrated and well-used cocks in this industry, Brooke continues sucking and spiting in what becomes a cock and ball free for all! With the camera panning around the hardcore action, the room fills up with the slurping sounds of her trying to mimic what she believes a porn star worthy blow-job should sound like.

"Great job, baby," Mick acknowledges, cupping her chin in his palm to watch her lips curve around his cock.

After ten more minutes of cocksucking, Mick and Brooke transition into their first shagging configuration. Spinning herself around, Brooke hunkers down in cowgirl position. Again, Mick grabs her hips and forces her up and down his rod, getting the maximum bang for his buck. In between thrusts, Brooke rises up from his cock and flashes her bumhole to the camera. Could this be a sign for some anal action that's just around the corner? No such luck today, although she does work herself through several more positions, shining the brightest when smeared across the sheets in doggie. Not a bad start at all, considering that she's just fucked one of the industry's leading cock stars of all time!

With the unmistakable waft of sex in the air, Katie is primed and ready to show the world what she is made of when she encounters Derrick Pierce in an office setting. Deciding to give his tool a tinkering with her tongue, Katie goes after Derrick with rabid force and shouts, "I want your cock, and I want it now!" Excited to have his meat mauled by a new mouth, Derrick happily obliges. Slipping his stick between her moist lips, he arranges his hands on her face and shows her how correctly to move her mouth around his member. "Suck it," he chants repeatedly, watching her cheeks round out like a jawbreaker. Knowing that a swift pussy pounding awaits, Katie sucks like a champion, winning praise from the happy

"Mick grabs her hips and forces her up and down on his rod..."

director as well as her co-star. "You're a good little cocksucker," Derrick later compliments, placing her right in front of the camera so the world can see the way this girl blows.

Once enough blow-job coverage has been captured, Katie is put in a different type of hot seat. Resting her hands against the wooden desk, Derrick slaps her ass a few times before parking his pecker inside of her pussy in a standing doggie display. With their sweaty bodies clapping together, Katie comes to life and springs across his cock like a sprinter in a marathon.

Revealing in a brief interview session that she loves watching herself being fucked in front of a mirror, the lights are rearranged to better accommodate her naughty request. Once set up in front of floor to ceiling mirrors, she jumps on Derrick's lap in cowgirl and goes to town! Fucking hard and grinding rhythmically, Katie watches as Derrick's cock slides in and out of her vagina. After Derrick uses up her holes in several hot positions, he pulls out and smears his homemade toothpaste across her pearly whites. Well played that girl!

Back in the saddle again, Mick Blue is joined by Hannah Shaw. A bit of a firecracker at heart, Hannah is a hard one to lock down and control as she gallops around the set like a happy student during the first day of school. Asking several questions of the cast and crew, Hannah turns up the heat when it's finally time to take her clothes off for the camera.

"Katie watches as Derrick's cock slides in and out of her vagina."

Flipping around like a flounder out of water, she contorts her curvy body into strange sexual configurations for the cameraman, peeling her denim shorts down around her impressive butt in the process.

"Just pose naturally," the cameraman asks, showing her the correct way to move and the proper timing between poses.

"Enough of these pictures," Mick jokes, later taking control of the scene by shoving his cock inside of her mouth. Like Dr. Jekyll and Mr. Hyde, Hannah morphs from a playful kitten into a feral beast, going positively bonkers when choking on his chicken. Pushing his penis to the back of her throat, he induces a total gag fest that leaves her mouth dripping wet. The slippery ride continues to rage on when their bodies become saturated with her saliva. "I think I need a towel," she later interjects.

Once the spittle begins to dry, more water rushes from her pores when she leaps on his lap to ride him out in reverse cowgirl position. Giving up gobs of energy and gash, she really rises to the occasion. With sweat pouring off her body, her make-up begins smearing down her face like a mascara mudslide, with her fake eyelashes hanging on by a single strand of hair and a pinch of glue. It's a sexy, sticky mess indeed that only intensifies once Mick adds his milk to their play!

As the day comes to an end, all of the girls congratulate each other for a job well done. Although I was only able to personally witness four of the five features scenes, missing Sienna Milano take on Mick Blue in a glamorous bedroom, I'm happy to report that Diabolic was clearly successful in finding a shining batch of industry Newbies that may have what it takes to become the next superstars of tomorrow. With a great start earned by each lovely lady, we'll have to stay tuned to find out what happens next!

Hang on, that's no lollipop she's sucking!

Carla might be a business studies student, but that doesn't mean she's too busy to indulge in a little monkey business from time to time as well. It seems that she's already made an appraisal of the assets of half the guys on her course, and she's got a couple more in her sights as well!

"Yes, at least a couple more," admits the blonde bombshell. "They're all so ambitious and driven – they're thrusting, get ahead guys and that really makes my pussy throb. I'm probably the only girl in the country who likes to play with herself while she's watching *The Apprentice*!"

You mean you like to frig while Lord Sugar's on screen, looking like a bulldog chewing a wasp?!

"No, it's not Lord Sugar I'm getting excited about – it's his young proteges that keep me busy."

Well, we had heard that girls often fantasise about a roomful of cocks...

CARLA

SCREEN TEENS!

Our serial tugger O-Real rounds up the best of recent teen-themed releases. He won't give us the DVD's back though, oh no...

Young and Curious 2

(Viv Thomas)

We were all young and curious once, weren't we? I remember all of my teachers remarking on just how curious I was, but sadly I was never curious in the sense that these girls are, because their curiosity seems to actually get them loads of hot sex. We kick off with two very horny young brunettes flicking through a mag and then, well, they're all over each other! They're a really cute pair, and they lavish all sorts of attention on each other's tight slots before they're done. There are 5 scenes in all, and each one features some genuinely stunning girls. No toys or cocks – just unadulterated teenie pussy licking. Mmm! Oh, and there are some nice bonus solo scenes at the end, too.

Sweet Young Things 4

(Adam & Eve)

Hmm, an interesting choice of soundtrack to this one, which, after a industrial rocker over the menu, cuts to a Ceebeebies style noodling as opening twatswoman Amia Miley puts on the tease. Still, the sight of her writhing around in her yellow undies soon takes your mind off the music, and thankfully it stops altogether so we can hear how much she wants to stick a big hard cock in her mouth. Lots of slurping and spitting make this one almost strokeworthy even with your eyes shut – although watching it is sure good as well! After that the scenes get a wee bit formulaic as they go through many of the same moves, but the girls are all very pleasing on the eye, with Rebecca Blue and Carla Cox deserving extra big thumbs ups! Oh, and covergirl Tessa Taylor's not half bad either!

Tight, Fresh and Loves Anal

(Adam & Eve)

Sounds like my kind of girl, then! Heh-heh! Ahem, anyway, Adam & Eve do a pretty good line in teenie smut, and this one is well worth checking out if you like the idea of cute young hornbags taking it up the wrong 'un. And if you don't like the idea, may I suggest you put down this magazine right now and go and find something else to do with your time? For interracial fans scene two will stand out, in which cutie pie Tatiana Kush takes a backdoor drilling from her lucky black stud, although frankly I think I could have teased out a bit more of a pop than he manages. Tatt fans, meanwhile, should keep an eye out for Jenna Moretti in the final scene. What a dirty little minx!

Young Harlots: Bad Behaviour

(Harmony)

Harmony's Young Harlots series has been churning out top notch grot for years now, and the formula never seems to pale! Stick a young of extremely horny young tartlets in an 'Academy' of some sort and then let a selection of studs playing the staff loose on them! The five scenes on offer here are all of the sort of standard you'd expect, with particular highlights being Honey Damon in scene three, taking on a trio of impressive cocks and quickly showing she knows exactly what to do with them. She gets all her hopes plundered in high style, and by the time the three guys have spuffed off over her shapely rear this reviewer was reeling from the sheer filth of it all. A double dicking for the ultra cute Melanie in the second scene runs this a close second, mind…

Filthy Teens 2

(21st Sextury)

Any flick that features the delectable Boroka Bolls has got to be worth checking out, especially if it included her taking a pronging from a fat prick – which this one, typically but thankfully, does! There's nothing much in the way of plot to worry about here, as each of the six girls on offer give us a bit of a tease before being joined by a stud for the main event. As well as Boroka, who perversely kicks off her scene by getting dressed before playing with that enticing pink pussy of hers, keep an eye open for Candy, who's about as cute as they come (even when she's covered in jizz) and a mucky creampie for Kyra in her shaven smoo. There's even room for a bit of a curveball at the end, too, with Kimberly sporting a spectacular 80s style muff…

Teen Thrills

(The Adult Channel)

A British offering now, in which top UK harlot Theo stars, getting the ball rolling in a nice bubbly bath before she gets out, dries all her nooks and crannies and then makes them all wet again by playing with herself. She certainly puts her little pink vibe (and pussy) through its paces before she's done, and then she's off shopping with chum Katie. It isn't long before they're licking each other out, with Katie throwing in plenty of spit along the way. It's a three girl next, with Natalia (mmm!) and Paris joining Theo for a fumble. There's plenty more to come, not least two scenes in which our heroine takes some cock, with Steve Hooper and Dirty Dog doing the honours. Jammy bastards!

Bree's College Daze 3

(Adam & Eve)

Blonde Bree Olson's got to be one of the cutest fucksters on the circuit, so this is one I was definitely looking forward to, ahem, reviewing! And it gets off to a cracking start, too, with a bunch of horny young things all sweaty in the gym. Some nice tease here, especially when they head to the showers, and then we cut to the action, with Bree herself opening the batting by getting on the end of a local lad's cock. Thereafter there are a few nice comic interludes between all the shagging, with Nicole Ray standing out, and Bree giving Randy Spears a fantastically dribbly tit wank. Hard to fault, really – unless you really crave anal, that is.

College Girls Love Double Creampies

(Private)

Not when I was at college they bloody didn't! Still, we must move with the times, although I can't help think these tartlets from Private somehow aren't entirely representative of all college girls… Anyway, I won't insult your intelligence with a summery of this one's plot – it's pretty evident from the title, – but what I will say is this; if you like the idea of watching five extremely comely young flampers (including the massively breasted Jasmine Black) getting double dicked and having a twin load of man fat pumped into them, then this film will be right up your dingy back alley. Why it's utter filth from start to finish, man!

Studying leisure? Well that sounds like my kind of course! Lolling about in front of day time TV – occasionally pottering about the house and, hey, who knows, strolling down to the pub for a couple of pints when you're feeling particularly energetic...

"No, it's nothing like that!" insisted Kacey. "I'm not studying how to spend my leisure time, but how to manage a leisure facility – a sports centre or a swimming pool or something."

Oh, so you sit around watching *The Brittas Empire*, do you?

"The what? Sorry, is that a programme? I've never heard of it!"

Hmm, well fair enough – you are only 19. So Kacey, what do you like to do to keep fit, then?

Oh, you know, the usual stuff. Swimming, jogging, a little gym work."

Ah, we were rather hoping you were going to say shagging.

Ha - I do that for fun – not to keep fit, silly!"

"Is that a sneaky way of asking whether I'm any good at giving blow-jobs?!" she asked when we put the matter to her.

Erm, well, yes, it is, really. And...?

"I'm only 19, you know, so I haven't had a lot of practice. In fact I've probably only sucked a cock a dozen or so times in my life, so I don't really know whether I'm any good or not. I haven't had any complaints so far, so I guess that's a good sign, isn't it?"

Hmm, it might be, but you know what they say – practice makes perfect. So if you want to work at it a bit, we're only to happy to help out!

"Do you like my body?" she asked, brazenly, as we stood thee admiring the view during this shoot? "It's just that all the guys I've been out with are always going on about my hot little body, but I don't know – I think I might be a little bit too skinny..."

Well, we'd heard that girls are often a bit paranoid about their body shape, be quite frankly we were astonished that Val was plagued by such doubts. We were quick to assure her that it was one of the loveliest bodies we've ever seen, and that she really ought to stop worrying and enjoy it a bit more.

That seemed to put her mind at rest, and therafter she certainly took us at our word, spending the rest of the afternoon enjoying her own body as only a beautiful girl can. And in all truth, we rather enjoyed it as well

DEBORAH

PHOTOGRAPHY: T. SOCKS

TEENS UNTAMED COLLEGE

NAME: Deborah
AGE: 19
STUDYING: Veterinary

STUDENT

We got off on rather the wrong footing with Deborah here. While she was doing her thing for the camera we were chatting amongst ourselves at the back about what sort of things she might have done in her studies.

"I wonder if she's ever stuck her hand up a cow's arse..." mused art director Steve, and we were just having a little giggle about this when Debbie herself piped up.

"What's that?" she snapped. "Did I hear you say something about my arse?! That's charming, that is. Here I am, taking all my clothes off for your benefit and all you can do is snigger about my arse like a couple of school kids. You should be ashamed!"

Well, that was us told, and we hastily explained that we weren't commenting on her own lovely arse at all – we were wondering if she's ever stuck her hand up a cow's arse.

"No, not yet," came her reply. "Although I have licked out a couple of right slags!"

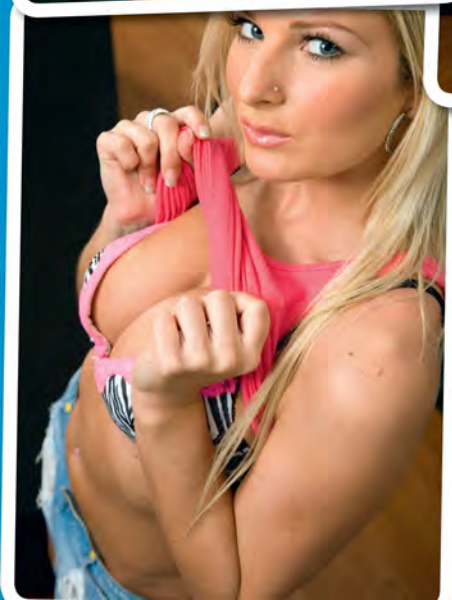
♣ STUDENT ♣



Studying retailing, eh? That sounds suspiciously like an excuse for a girl to just hang around the shops looking at clothes! But it turns out there's a lot more to it than that...

"Yes, of course he have to visit shops on our course, but it's not all trying on clothes and stuff," Shelley insisted. "We have to do all sorts of things, like learning how to stocktake; customer liaison – things like that. It's more complicated than you'd think!"

Hmm, we'll take your word for it, but to be honest we'd rather concentrate on the bit where you hang around clothes shops, trying on clothes. Have you ever been tempted to get a bit frisky when you're in the changing rooms, say?

"No, they're usually too small, I reckon. And anyway, if you can sneak into the stockroom for a shag, why use a changing room?"

Fair point!

SEX LOVING STUDENTS WRITE...

"So," I said, "you're the girl who fancies me, are you? What are we going to do about it, then?" "Well, I suppose you could kiss me if you want," she replied quietly. Next moment I was kissing her warm, full lips and boy, was she ready for it. She opened her mouth and then we were tonguing each other feverishly. I fondled her large, soft breasts through her blouse, then groped her rounded bum through her skirt. When I went to pull the skirt up she broke away and said, "You'd better lock the door, hadn't you?"

I went over and turned the key, then turned back to Jenny. I was glad to see that she'd taken the hint and was sitting on the sacks. I joined her and she lay back with a sigh, her skirt riding up her bare thighs. "That's better. Now, where were we?" I asked and started tonguing her eager mouth again. She didn't resist as I slid my hand up her skirt onto that bare, warm thigh; in fact she opened her legs wider. Jenny gave a gasp as I traced the outline of her soft, hot, wet and very moist cunt through the gusset of her little panties.

With my very stiff cock now trying to escape from my trousers I said "Do you want to do it with me now?" She only moaned, nodded and opened her legs wider. "Let me take your panties off," I said and she lifted her bum off the sacks so that I could pull her white knickers right down and over her feet. I caught a glimpse of her patch of pubic hair as I lay close to her so that she could feel my throbbing hard-on pressing through my trousers onto her thigh. Then my fingers found the soft, hot lips of her cunt which was getting wetter by the second. Jenny gave a gasp as I found her clit and when I stroked it she moaned and pulled me closer. Then I slipped a finger up that soft, velvety cunt and frigged her.

I hoped she'd know what I meant when I asked her if it would be alright if we did it properly; she just moaned and nodded slightly. In a couple of seconds I'd got rid of my trousers and pants and my prick sprang up ready for action. Jenny lay there with her eyes closed, panting with desire as I got over her. I pulled her knees up on each side of me and she quivered when I stroked my huge, smooth knob against her cunt lips, making it slippery with her wetness.

"Here I come," I said and eased my rampant prick into her clinging wet sheath of girl flesh. Jenny gave a loud gasp and cried out "Oh, it's too big for me." "No it's not," I replied. "I want to thrill you now. Put your legs up around me." As she did so more of my weapon slid up her luscious, clinging wet cunt. Then I was fucking Jenny with slow, steady thrusts of my stiff prick. To my delight I felt her beginning to respond to my fucking by using her hips and digging her fingers into my back. "That's it Jenny. Fuck my big cock. I know you want to come. You do want to come, don't you?" I said. Then we were fucking fast and furiously as she responded frantically to every thrust of my dick until it was squelching up and down in her sopping cunt. Harder and faster we fucked until Jenny came. And what an orgasm it was! She let out a loud scream of "Oh, yes," bucked frantically with her hips, then tightened her legs around my waist like a vice.

When her cunt muscles squeezed around my shaft it was more than I could bear. After a few fierce lunges I was shooting spurt after spurt of my spunk into her pulsating pussy in a fantastic and glorious climax of my own. It was incredible. I don't think I'd ever felt so good before. What an eager fucker Jenny had turned out to be!

As the very last spurt of spunk jetted into her Jenny gave a last lustful heave of her hips and fell back onto the sacks. We lay there getting over that terrific first fuck and after a few moments Jenny gave a loud sigh as I finally pulled my dick from her sopping wet cunt. I rolled off and lay beside her with my hand on her damp patch of pubic hair.

"God, that was absolutely fantastic Jenny," I said. "Are you alright? Was it good for you?" "Wow, yes. It was really wonderful," she answered. "I didn't know it would be like that at all," she replied. "I actually thought I was going to pass out." "You mean, is what you're saying that you've never done it before? Not ever?" I asked in amazement. "Not properly. Not like that," she giggled. "Last summer when I went home for the hols I let a lad I was going with do it to me, but he was so excited that he'd finished before I was ready. It was very disappointing, not like just now." She giggled again.

Sadly we didn't have any more time to enjoy the moment because Jenny started to worry that she might be missed and started to get dressed. She found her panties and mopped between her legs, saying "God, I've never been so wet before." Then instead of putting them back on she turned to me, gave a big, cheeky grin and handed them over to me, saying, "You'd better take these as a souvenir." I stuffed them in the pocket of my trousers, unlocked the door and watched as Jenny made her way back through the bushes towards the school. God, her arse looked even better swinging its way back to the main building than I'd remembered it just a few moments ago when I'd been fucking her. "I'll have to see her again," I thought to myself and to be honest I have done – three times already! Jenny's getting more and more adventurous with each meeting and I'm getting more and more shagged out! Still, you won't find me complaining any time soon!

Graham, Surrey.
